**DESCRIPTION**

The Private Collection is a dedicated exercise in clean lines, symmetry and tonal restraint – calm and composed, but undeniably generous in its expression. The visual simplicity and careful balance of dimensions and materials enable each piece to feature in any room of the home and to fit seamlessly into a range of different interior styles.

The Private Desk offers flexible functionality, operating as a desk for homeworking during the day and as a console out of hours. This dual aesthetic enables it to fit easily and elegantly into existing interior schemes in a living room, bedroom or kitchen, responding to the emerging needs, reflections and discoveries within the modern home.
