**ITEM NUMBER**

**DESCRIPTION**

The Private Collection is a dedicated exercise in clean lines, symmetry and tonal restraint – calm and composed, but undeniably generous in its expression. The visual simplicity and careful balance of dimensions and materials enable each piece to feature in any room of the home and to fit seamlessly into a range of different interior styles.

Concealed storage is offered by the Private Sideboard, a horizontal form designed to sit neatly against a wall in living room, dining room or bedroom, or to be deployed back-to-back with another unit. Its four symmetrical soft-close drawers provide substantial space in a way that is both practical and functional, while retaining refinement in their execution. The top can be used as an elegant surface on which to showcase ornaments, objects and artworks.
