

Buds, suspension design Rodolfo Dordoni 2016

FOSCARINI

In the 1990s, Rodolfo Dordoni designed a collection of table, floor and suspension lamps for Foscarini in brightly coloured blown glass, named after the natural elements: Fruits, Blossom and Buds. Today Buds has been restyled again, interpreting contemporary taste with a sophisticated wealth and focus on materials. the star of the design remains blown glass, with a five-layer hand-crafted process, which is immediately evident thanks to the larger cut of the diffuser. With the new range of colours - cold brown, cold grey, bamboo green and white, with a

straw-yellow internal finish- Buds takes on a dual value: it is warm when the lamp is on and cold when off.

Buds, suspension technical info

FOSCARINI

Description

Suspension lamp with diffused light and down . Handblown cased glass diffuser, white on the inside and colored on the outside, with glossy finish. With the straw-yellow interior, the "warm white" version appears ivory in hue when the lamp is on and it remains white when off. Transparent injection moulded polycarbonate diffuser support. Stainless steel suspension cable and a transparent electrical cable. ABS glossy white canopy. Canopy decentralisation kit available.

Materials Handblown glass

Colors Buds 1 cold brown, warm white Buds 2: cold grey, warm white Buds 3: bamboo-green, warm white

Brightness light
diffused light
