Product Fact Sheet - Furniture - Covent Lounge Chair

Covent Lounge Chair

Arde Design Studio

While the other members of the Covent family balance the elements; the Covent Lounge Chair and Covent Sofa present a universe of warmth. The soft organic top of the Covent Chair has been extended to the ground, the bold frame replaced with the soft touch of an upholstered base and generous seating cushion. Showcasing expert detailing and craftsmanship, this pair invites you to nestle within and feel the tenderness of each upholstered surface.

About the designer Arde Design Studio

The work of Arde Design Studio displays a paired back aesthetic and holistic approach to ideation and production. Since 2003 he has worked for some of the worlds leading industrial design and furniture companies, further refining his approach to design. This lead to Arde Design Studio establishing their own studio in 2014 with their work already featured in the collections of prominent companies throughout Europe and beyond.
