Model Tub · Design Jens Juul Eilersen

English:

Tub is an orgy of soft foam, downs and cushions - and thereby it is the coolest and softest sofa yet in the Eilersen universe of floaters. The contrast between the slim, tight outer shell and the interior heaven of foam and downs creates dynamism in the language of form. And it makes Tub resemble a gigantic bath tub...

Here you get a well-being sofa where you may sit comfortably, but still upright. Tub is a floater, but is different from the other Eilersen floaters on account of the frame which is not sturdy, but a thin, strong shell. This means that externally the lines are straight and tight, whereas the extravagant internal upholstery and cushions provide soft, organic lines.

The entire sitting comfort in Tub lies in the cushions, which seems softer due to the large depth. Tub is available in two different depths where you sit more or less upright, but still so much lowered and comfortable that you almost feel like sitting in a bed. The series contains corner-, closing-, chaiselong and centre sections, which may be combined as desired.

Solid-wood frame with Nozag-spring seat-base, covered with polyurethane foam.

Seat, back and arm cushion filling is a down-top cushion consisting of a highly elastic polyurethane foam core with a wrap of 100% down and small duck feathers sewn into a ribbed, featherproof cambric casing.

To retain the feather cushion's appearance and shape, regular fluffing-up and airing are recommended.

Tub is available with fabric or leather upholstery.

As for fabric upholstery: Standard delivery has fixed-frame upholstery, and alternatively it is available with removable cover on the frame with a calico cover underneath.

As for leather upholstery: Standard delivery is with fixed-frame upholstery. All cushion covers have zip-closing.

Standard delivery is with 8,5 x 4 x 2,5 cm legs in brushed stainless steel, alternative black lacquered legs in stainless steel (RAL 9004, mat). Or legs in wood, natural or oiltreated or stained in black or dark brown.

The factory provides a 5 year guarantee to cover frame, springs and cushion filling. No guarantee is provided for fabric and leather upholstery. Please see special information on selection of fabric and leather on www.eilersen.eu. All overall dimensions correspond to frame sizes.

Dansk:

Tub er et orgie af blødt skum, dun og puder – og dermed den hidtil fedeste og blødeste sofa i Ellersens univers af flydere. Kontrasten mellem den slanke, stramme yderskal og det indvendige himmerige af skum og dun skaber dynamik i formsproget. Og får Tub til at ligne et gigantisk badekar...

Her får du en velvære-sofa, hvor du sidder mageligt, men stadig oprejst. Tub er en flyder, men adskiller sig fra Ellersens øvrige flydere på stellet, der ikke er kraftigt men en tynd, stærk skal. Det betyder, at linierne udvendig er lige og stramme, mens den ekstravagante indvendige polstring og puder giver bløde, organiske linier.

Hele siddekomforten i Tub ligger i puderne, som virker blødere på grund af den store dybde. Tub findes i to forskellige dybder, hvor du sidder mere eller mindre oprejst, men stadig så nedskænet og mageligt, at du nærmest fornemmer, du sidder i en seng. Serien indeholder hjørne-, afslutnings-, og midtterelementer og chaiselonger, der frit kan kombineres.

Stel i massivtræ med sædeaffjedring af Nozag-fjedre, polstret med polyuretanskum.

Pudefyldet i sæde, ryg og arm er en dunstop-pude, der består af en højelastisk polyuretanskumkerne med et svøb af 100% dun og andesmåfjer, indsyet i et kanalopdelt vår af dunæt cambric.

For at bibeholde dunpudens form og fyde bør den jævnligt bankes op og lufttørres.

Tub fås betrukket med stof eller læder.

Ved stofbetæk: Modellen leveres standard med fastmonteret betæk på stel, alternativt fås den med aftageligt betæk på stel, med et underbetæk af stof.

Ved læderbetæk: Modellen leveres med fastmonteret betæk på stel. Alle pudebetæk er forsynet med lynlås.

Modellen leveres med 8,5 x 4 x 2,5 cm ben i børstet rustfrit stål, alternativt sortlakerede ben i rustfrit stål (RAL 9004, mat). Desuden tilbydes træben, natur eller olieret eller bejdsede ben, sorte eller mørkebrune.

Der ydes 5 års fabriksgaranti mod fabrikationsfejl på stel, fjedre og polstring. Der ydes ikke garanti på stof og læder, men der henvises til www.eilersen.eu for særlig vejledning for valg af stof og læder.

Alle angivne mål er stelmål.
