Made  
By  
Choice

## DESCRIPTION

Named after the hometown of our manufacturing, Halikko series consist of light, sleek and comfy furniture with a simple structure and obscurely quirky characteristics. Based on a 35×35 mm structure in solid oak, Halikko draws a natural continuation of the exploratory work by Choice on straight-forward structures, and expressive graphic surface treatments. Halikko draws its simple characteristics based on pure lines. Halikko is as pleasing to use at home as in collective spaces.
