

Cone / Lampada da terra ricaricabile  
Design / Chiaramonte / Marin

Test  
IP44

Forms that remind us of indoor furnishings that migrate to outdoor spaces: the Cone lamp collection is inspired by the elegant and vintage silhouettes of the 1950s, modernised thanks to a wise use of materials and the choice of generous shapes.

### Description

## Materials

### Steel

Iron and carbon alloy, with carbon content below 2%, treated to withstand the elements with the unique EMU-Coat anti-corrosion process.

**Maintenance:** To keep the product in good condition for a long time, we recommend storing it indoors and in a dry place during the winter to prevent condensate from forming. Before the winter and on a quarterly basis, if the products are kept near the sea, it is recommended to clean the metal surfaces with a soft cloth using water or detergent and protect them with Vaseline oil or car wax.
