DROP CHANDELIER BULP

Its detailed suspension has industrial and maritime references and is beautifully crafted in plated metal, which is subsequently hand brushed to obtain the perfect finish to complement the circular opal glass lampshades.

While The Drop Chandelier Bulp collection honors the iconic, modernist lamp designs of the 1950s, it also celebrates an experimental, innovative approach with its 14 flexible and functional adjustable arms - creating countless options and variations.

The chandelier elegantly brightens the room with a warm light and becomes a sculptural object in the ceiling.

Designed by Kristian Sofus Hansen & Tommy Hyldahl.

Product no: 111093

Type: Chandelier / Indoor
Designer / Year of design:
Kristian Sofus Hansen & Tommy Hyldahl, 2017

Colour: Grey
Glass: Opal glass / white
Metal: Plated metal / Grey
Cable: Fabric covered cable / Black

Dimensions:
L157 / W115 / H85 CM
Mounting plate: H1,4 / W5,4 CM
Ceiling cap: H18 / W6 CM
Fabric covered cable (divided in two):
Cable 1. from 15 to 85 CM / Cable 2. 200 CM

Country of origin: CN
Product weight: 6,00 Kgs

Packaging:
Dimensions: L115 / W88 / H21 CM
Total weight incl. product: 9,70 Kgs
Number of parcels: 1
Material: Brown cardboard

Light source:
Socket: E14 - 230V
Recommended Light Source:
Pygmy - Matt Porcelain - E14

Please note this chandelier is not dimmable.
Dimmability: This feature is only possible when the fixture is connected to a dimmer switch and equipped with bulbs that are compatible with dimming.

IP rating: 20 Max Watt: 48

Care instructions:
Use a soft dry cloth to clean the product.
Do not use household cleaners.

Suitable for rooms with a height of 230-320 CM.
Certificates: EMC - LVD
Does not comply with US Standards.
