

# CH26

HANS J. WEGNER

## DESCRIPTION

The CH26 Chair is part of a series of iconic chairs Hans J. Wegner created for Carl Hansen & Søn. Along with the CH22 Lounge Chair, Wegner created a working drawing for translating the lounge chair's form into a dining chair, the CH26. Yet he never actually manufactured a mock-up of the armchair and it remained unknown to the public for decades. In 2016 – the same year as the reintroduction of the CH22 – Carl Hansen & Søn brought the CH26 design to life. The CH26 Dining Chair closely resembles the lounge version with its organic shapes, refined back and hand-woven seat, and features proportions ideal for longer periods of sitting at a dining table or a desk.

## DESIGNER

Danish architect Hans J. Wegner (1914-2007) is considered a pioneering furniture designer of the twentieth century. Often referred to as the master of the chair, Wegner created almost 500 in his lifetime – many of them considered masterpieces. Wegner was part of the spectacular generation that created what is today referred to as 'the Golden Age' of modern Danish design. Almost all of the world's major design museums, from the Museum of Modern Art in New York and Designmuseum Danmark in Copenhagen to Die Neue Sammlung in Munich, exhibit his works.

## MATERIALS

- Frame: Solid oak with soap, lacquer, oil, white oil, or black paint. Note that oak has a clearly visible wood structure when painted. Solid walnut in lacquer or oil. Also available in a mixed version with a frame in oak and backrest in walnut
- Back: Veneer
- Seat: Natural papercord or black papercord
- Cushion available: Leather group A (loke)

## PREASSEMBLED

Yes

## PRODUCTION PROCESS

Separate parts are processed on machines. The Chair is polished and assembled by hand and the papercord is also woven by hand.

## DIMENSIONS

- Chair: W: 59 x D: 52 x H: 79 cm
- Cushion: W: 51 x D: 42 x H: 3 cm

## WEIGHT

5 kg

## PACKAGING

- No. of boxes: 1
- Box: H: 84,5 x D: 55,5 x L: 61,5 cm
- Gross weight: 7,3 kg

## TEST

- EN 16139:2013 Furniture - Strength, durability and safety - Requirements for non-domestic seating – Level 1
