

OSLO SOFA SERIES

ANDERSSEN & VOLL ON THE DESIGN "We wanted to make a sofa series with a light and inviting appearance, without compromising on comfort. The horizontal division in the seat is important, as it allowed us to add extra comfort in the lower part of the furniture while maintaining an airy overall expression. The Oslo Sofa Series is crafted on the west coast of Norway and with its embracing and rounded softness, it stands as a natural extension to the Nordic touch and friendliness that characterizes the designs of Muuto."
