

VOID SURFACE

Inspired by vacuum flasks, Void is made from pure metal which is formed into a complex double-walled shade. A small but powerful halogen bulb deep inside the lamp creates a soft but directional light beam, while the exterior is polished to a highly reflective finish. Available in Pendant and Surface light versions.

Year of Design	2016
Material	Brass; Copper; Stainless Steel
Bulb Spec	G9 33W (max). Bulb not included.
Cable Spec	N/A
