

Bell Table Lamp

Bell Table Lamp

Inspired by vintage glass lamps from the 70's, the Bell Table Lamp illuminates your home with a soft, diffused light. Made entirely of opal glass with a sleek, glossy finish, the lamp is composed of two simple, geometric shapes balanced on a chrome base. Use it as a decorative lamp in a dark corner or on a shelf to light up your favourite books.

Life is full of contrasts

As we navigate expectations and dreams in the search for meaning and comfort, we long for a balanced life with room for chaos and calm, moments of reflection and times of joy. A place where we can be ourselves, realise the true value of things and feel at home.

Based on a passion for authentic design and clear functionality, we challenge ourselves to shape the future and take pride in creating products that help you balance the contrasts of life.

Our soft forms, rich textures and deep colours allow you to create an authentic and composed atmosphere, while avant-garde shapes, striking patterns and curious details add a touch of the unexpected.

From our base in Copenhagen, we work with artisans around the world, fusing our Scandinavian mindset with global skills and traditions. We take our responsibility to people and the planet seriously and expect the same of our partners.

We create collections of furniture, accessories and lighting, so you can create space to feel comfortably you.

Welcome home.
