APIALES 9 Satin Black

Design: Sofie Refer, 2020. EU-model.

Apiales 9 Ceiling in mouth-blown Opal White glass and Satin Black finish. Incl. Ceiling plate.

With inspiration from flowers, Sofie Refer has designed the chandelier collection, Apiales.

The collection consists of chandeliers with 9 or 18 mouth-blown glass globes and are available in golden Brushed Brass finish or the smooth Satin Black. A ceiling mounted version with 9 globes is also available.
From a specially-produced canopy, the arms unfold like flower stalks from which light is spread with grace. Suitable for residential homes, restaurants and hotels.

Apiales 9 Ceiling can be mounted directly onto the ceiling and has a low height of just 40 cm. This gives great flexibility in its application and makes it ideal for rooms with lower ceilings or in intermediate spaces.
